Dear Parents and Carers,

I am writing to inform you that we have received our Final Ofsted Inspection Report following the inspection which took place on Tuesday 26<sup>th</sup> and Wednesday 27<sup>th</sup> June. We are thrilled with the many positive comments included in the report and very pleased with the overall judgement of 'Good.' We are also delighted to have received an 'Outstanding' grading for Personal development, behaviour and welfare.

The report highlights many areas of strength including the school's "nurturing culture", "strong leadership" and "rich curriculum" as well as identifying areas for further development. Pleasingly, the areas for development had already been identified by the school in our own self-evaluation.

All parents and carers will receive a copy of the report via email today. The report will also be published on the school website and will be able to be viewed on Ofsted's website from the 23<sup>rd</sup> July. If you require a hard copy of the report, please contact the school office.

I would like to thank all of the parents who took the time to complete the Ofsted Questionnaire or who passed on their comments to the inspectors in person or in writing. As a school, we receive very strong support from parents and carers and it was lovely that the inspectors recognised this. I truly believe that children flourish when there is a positive and supportive partnership between home and school and I am very appreciative of the support you give to your children and to the school as a whole.

I feel privileged to be the Headteacher of St Mary's and am incredibly fortunate to work with such a committed and talented staff team who work tirelessly to provide the best possible care and education for all of our wonderful children. We look forward to continuing to build on this very positive report and the achievements of this year when we begin the new academic year in September.

If you have any questions or comments about the report, please do not hesitate to contact me.

Yours sincerely,

Laura Wallis  
Headteacher
