**How can we help  
ensure that people feel  
a sense of belonging?**

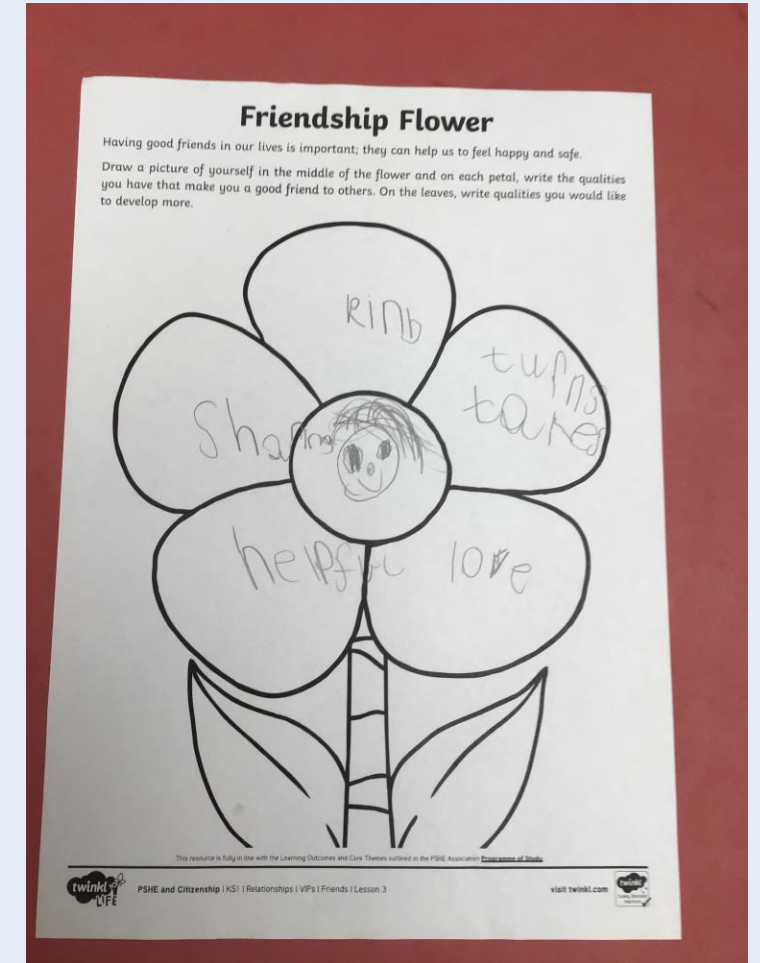

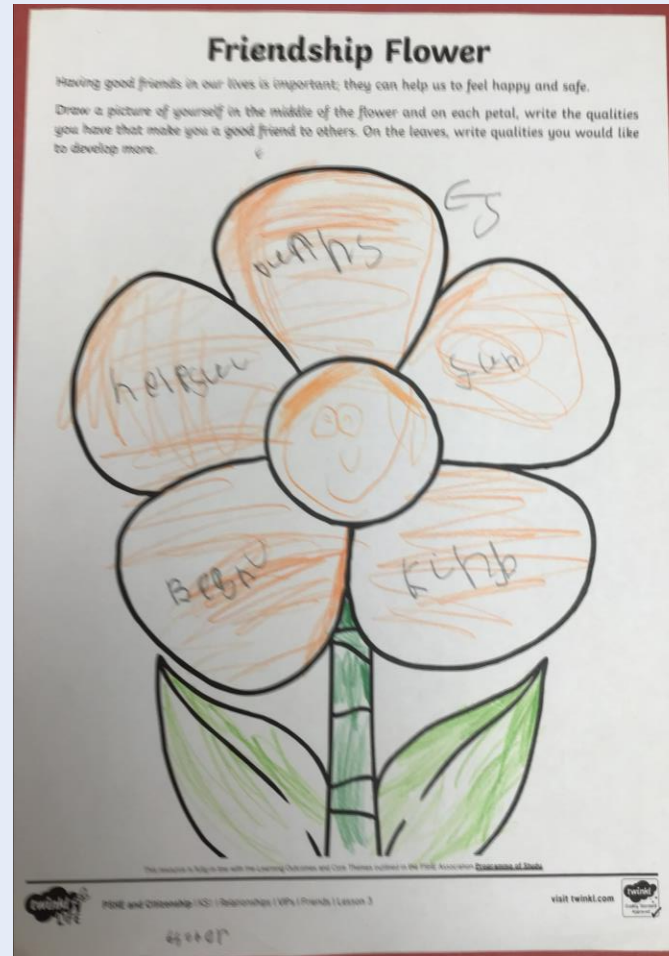

# Global Ambassadors

During this Big Question Afternoon all of the children thought about the groups they belonged to. They created posters to show how we all belong. Here is the one from the Global Ambassadors.

# EYFS

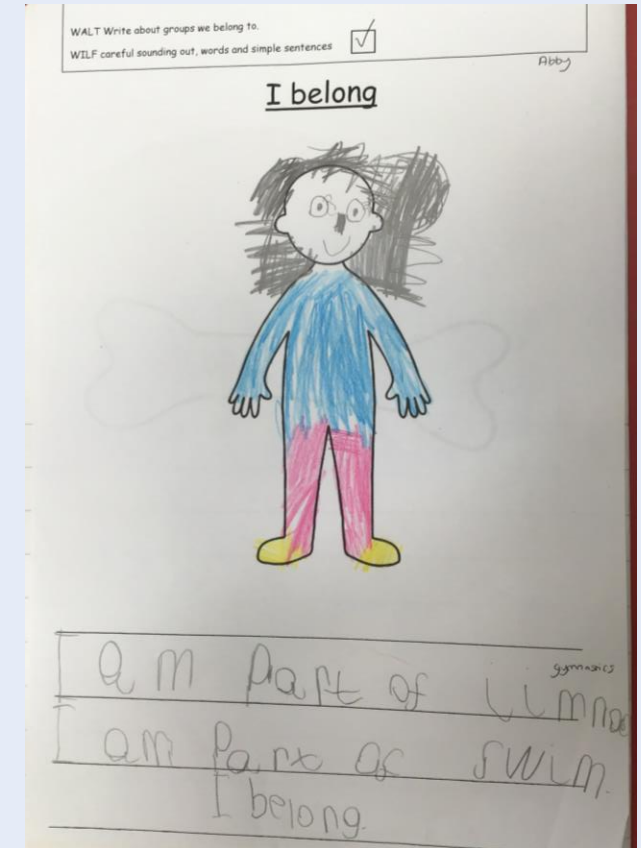

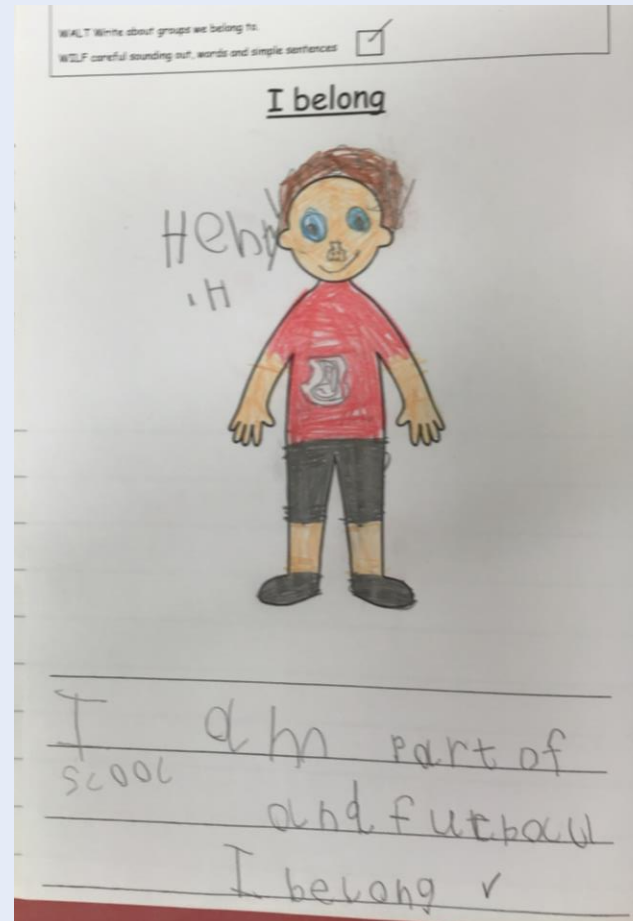

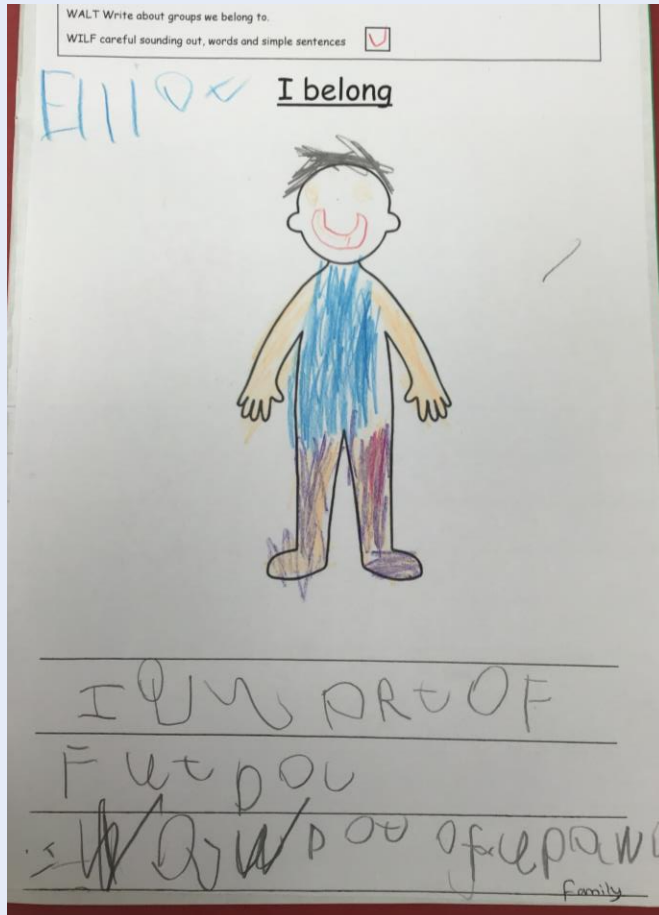

We created friendship flowers and thought about what made a good friend.

# EYFS

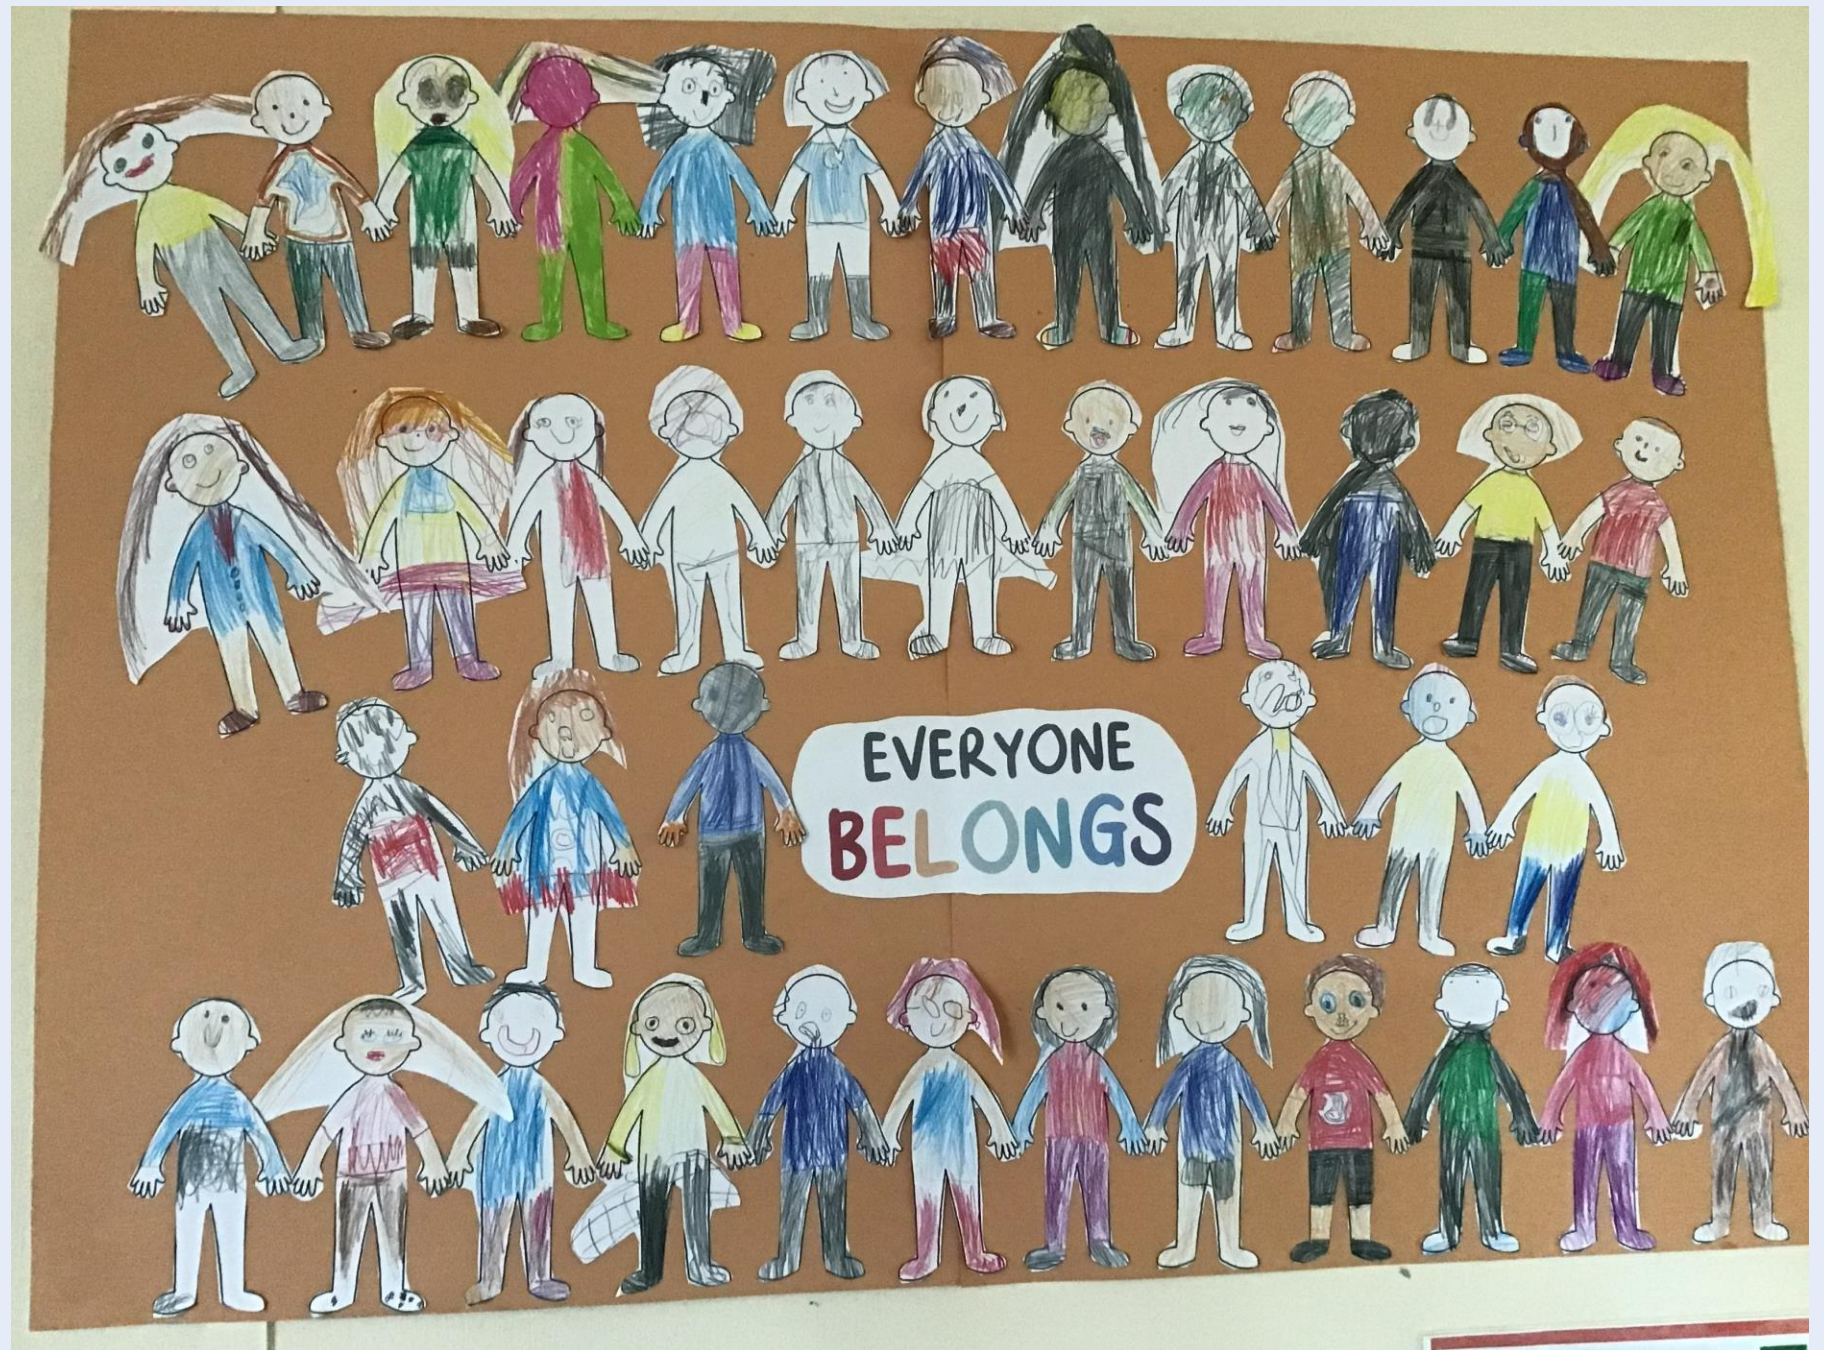

We made friendship potions with all the qualities that made good friends. We then had a go at making these in our mud kitchen outside.

# EYFS

We thought about all the different groups that we belong to.

## Year 2 Prayer

Dear Lord,

Please help us to always use kind words. Help us share and take turns so no one feels left out. Thank you for all our friends.

Please help us look after each other. Help us remember that everyone is important. We want our class to be a place where everyone feels safe and welcome.

Please help us show our school values every day — friendship, trust, and respect. Help us be good friends who look after each other. Help us trust one another and be honest and kind. Help us respect everyone, even when we are different.

Lord, hear our prayer,

Amen.

We read the story Lubna and Pebble. We then made our own pebbles with messages on them.

We  
thought  
about the  
Big  
Question.

Dear lord

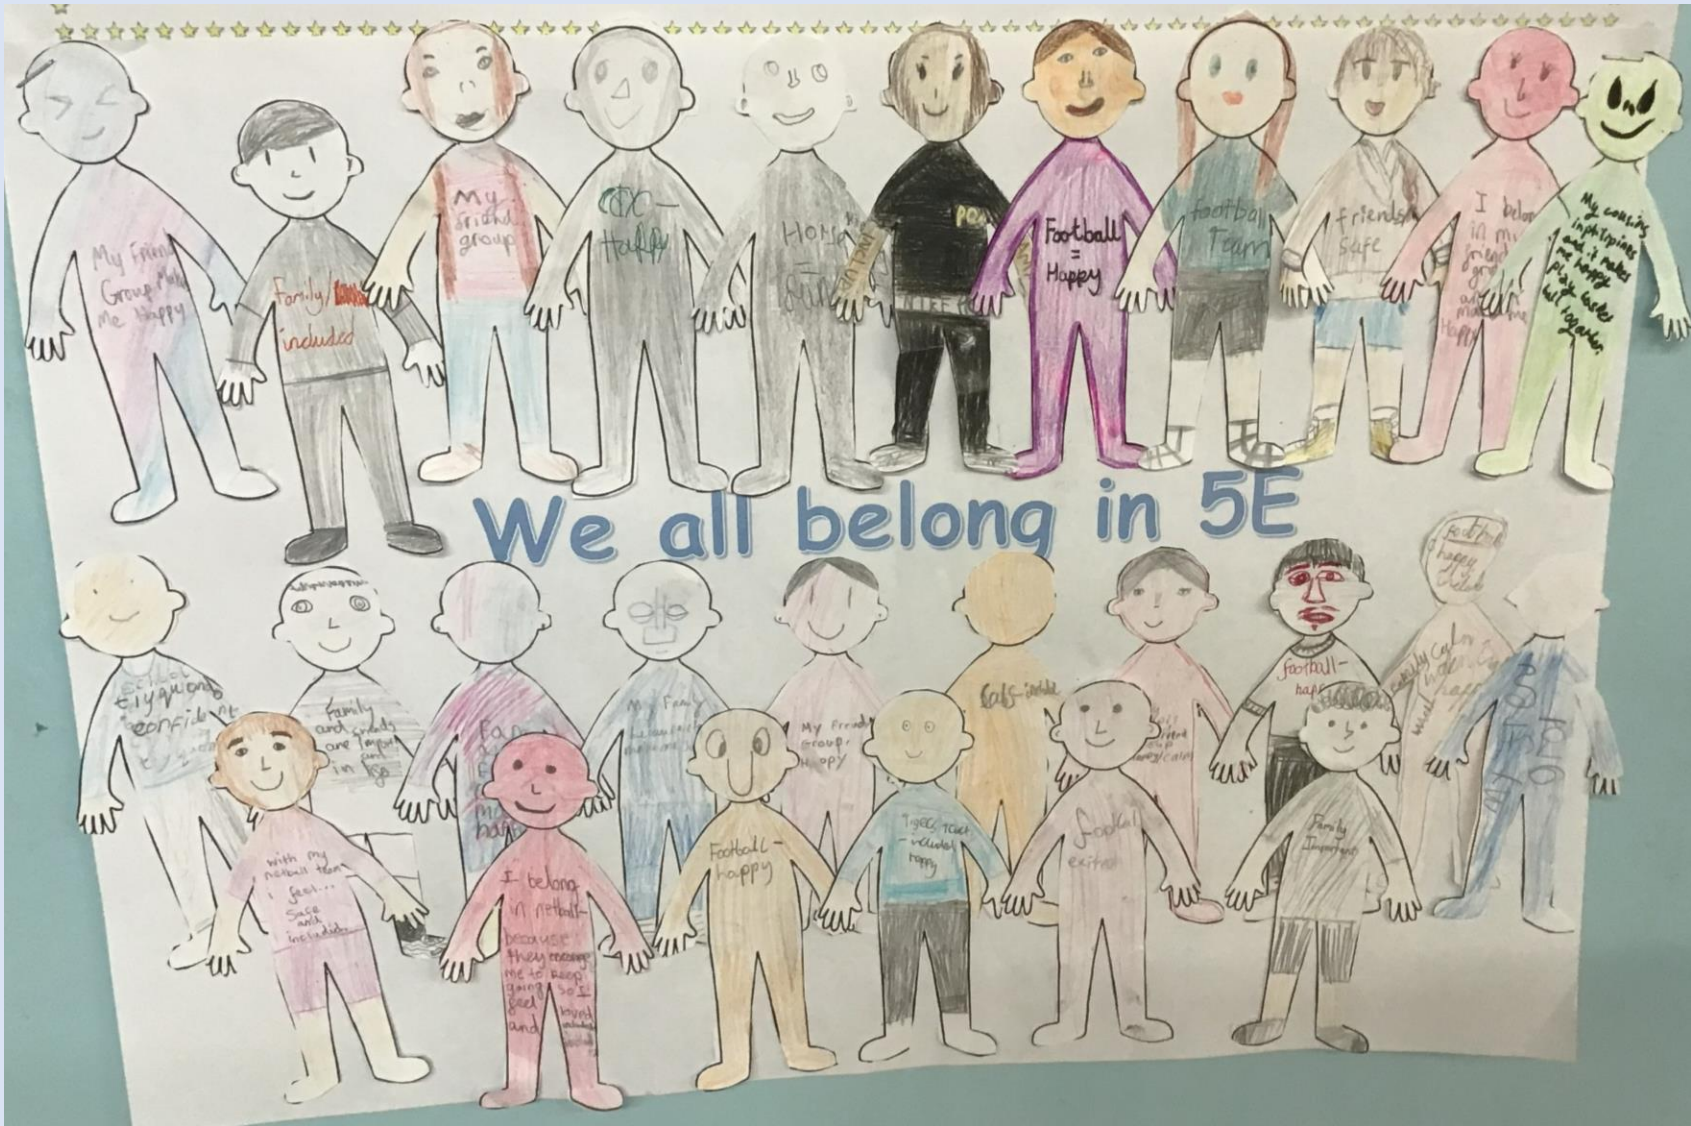

Please help me to be kind and include others who need help.  
Help me to make others feel included and welcome. Make me  
Show respect and set a good example to the younger ones.  
If someone is mean to me make me be kind to them because no  
one knows what has happened in their life. If anyone is  
mean to you Show them kindness and explain nicely  
to not be mean because it might make people sad.

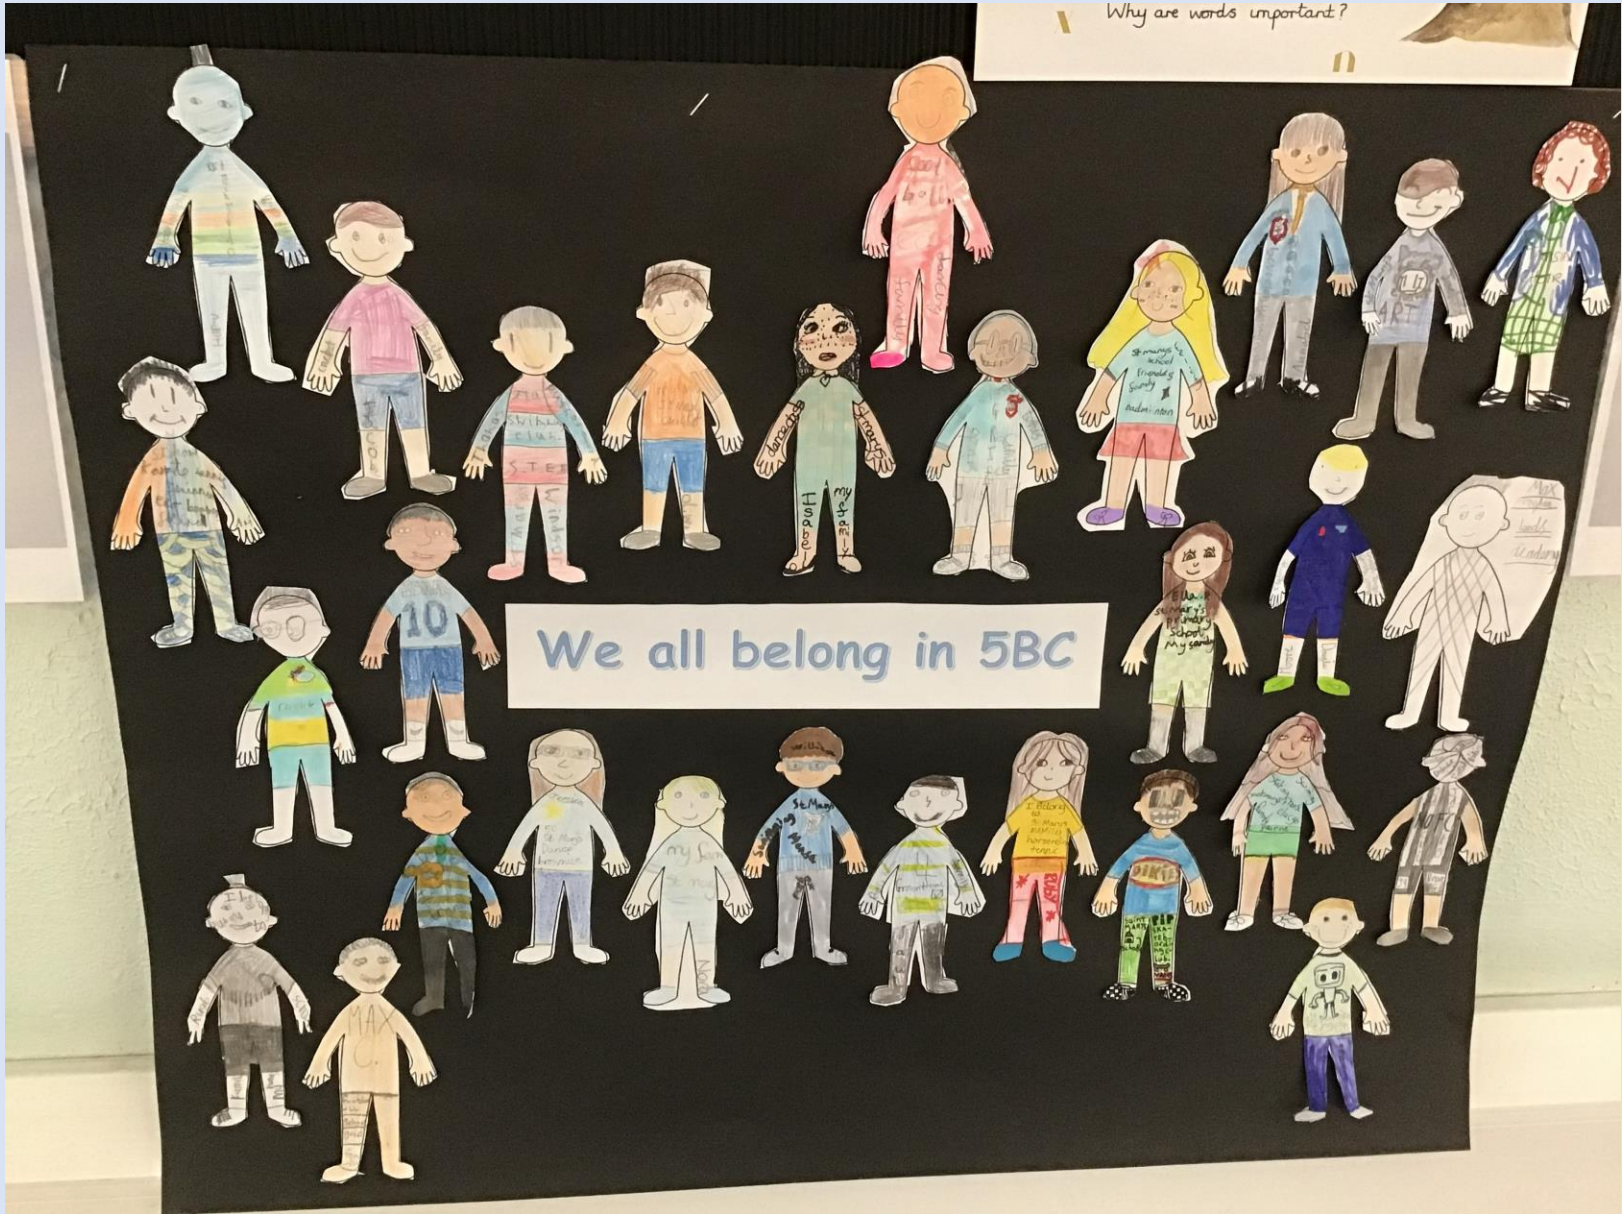

Amen

Dear Lord,

I hope everyone in the world  
Is included in games and activities  
Also I hope that people feel happy  
and loved in their groups

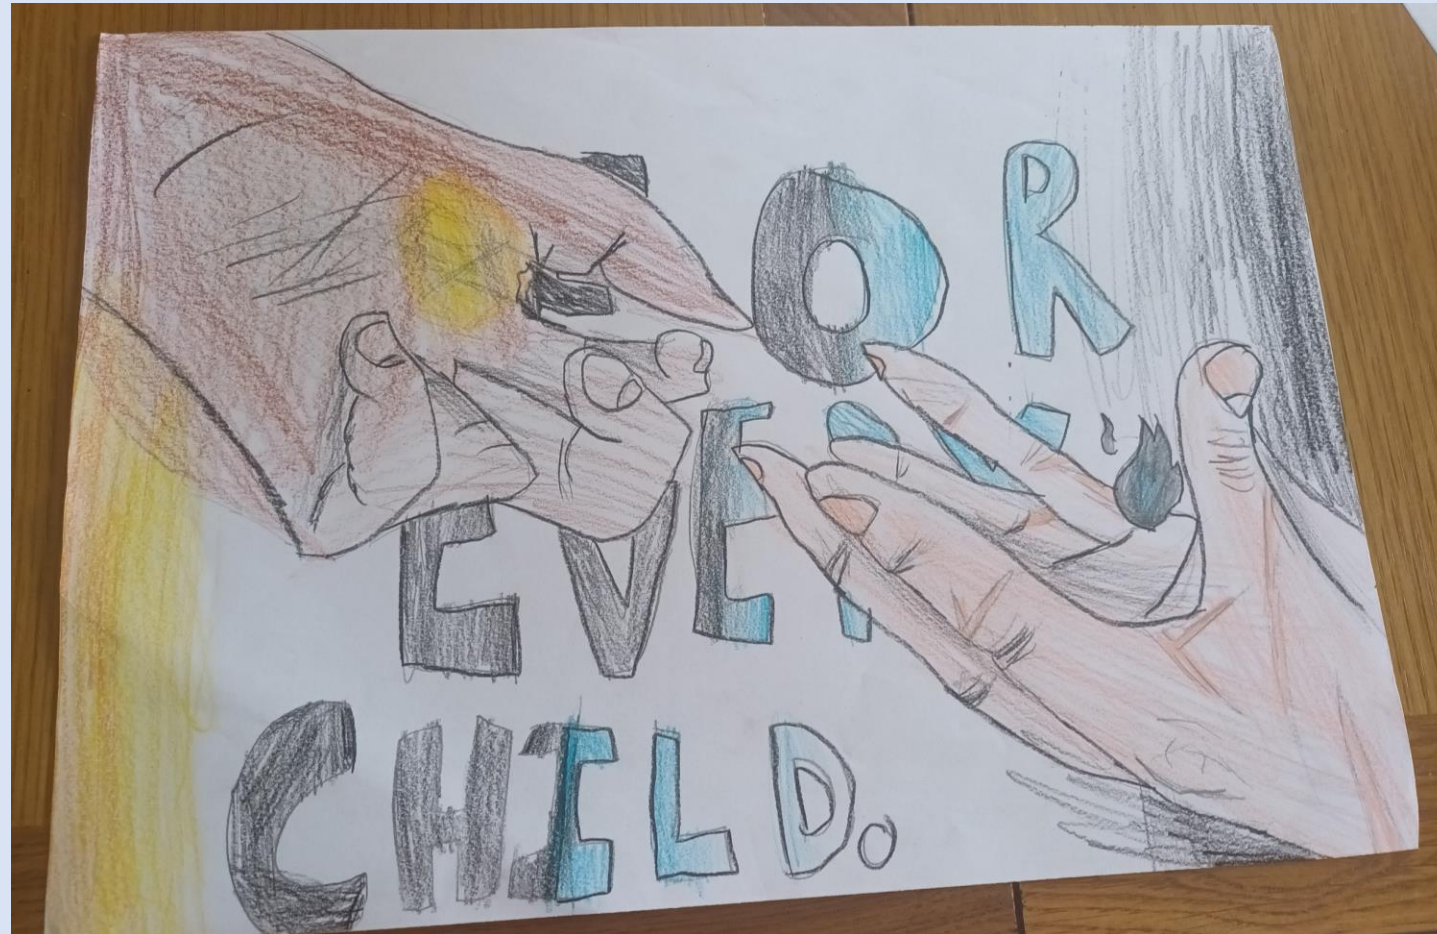

Amen

Y6 read the book  
'For Every Child'.

Y6

We created posters, songs and poems to share the messages in the book.

# HOW WE BELONG!

In a world full of song, There aren't  
enough about how people belong.  
What makes us unique is how we choose  
to live.  
As we are all special in our own way, how we  
choose to live can define who we are,  
how we belong  
how we love.

How we live.

# WE ALL HAVE THE RIGHTS TO BELONG!

# BELONGING

everyone is different  
in their own  
way.

belongs

respect

everyone

Mean  
Hate  
 Hurt  
bully

You should value  
other people's differences  
and respect others  
uniqueness.

Belonging

We all belong together. We are unique  
and different and we should care and  
look out for each other. We all have rights  
and we should respect that. We should  
make people feel welcome and it all starts  
with a smile. Always be kind and don't  
be rude because if they don't feel happy or  
safe they won't feel like they belong. You can  
belong in a club, a family, a friend group and  
in a school or community. We should all be loved  
and be included and have hope. We should all  
feel like we belong.

## Year 6 Prayer

Dear Lord,

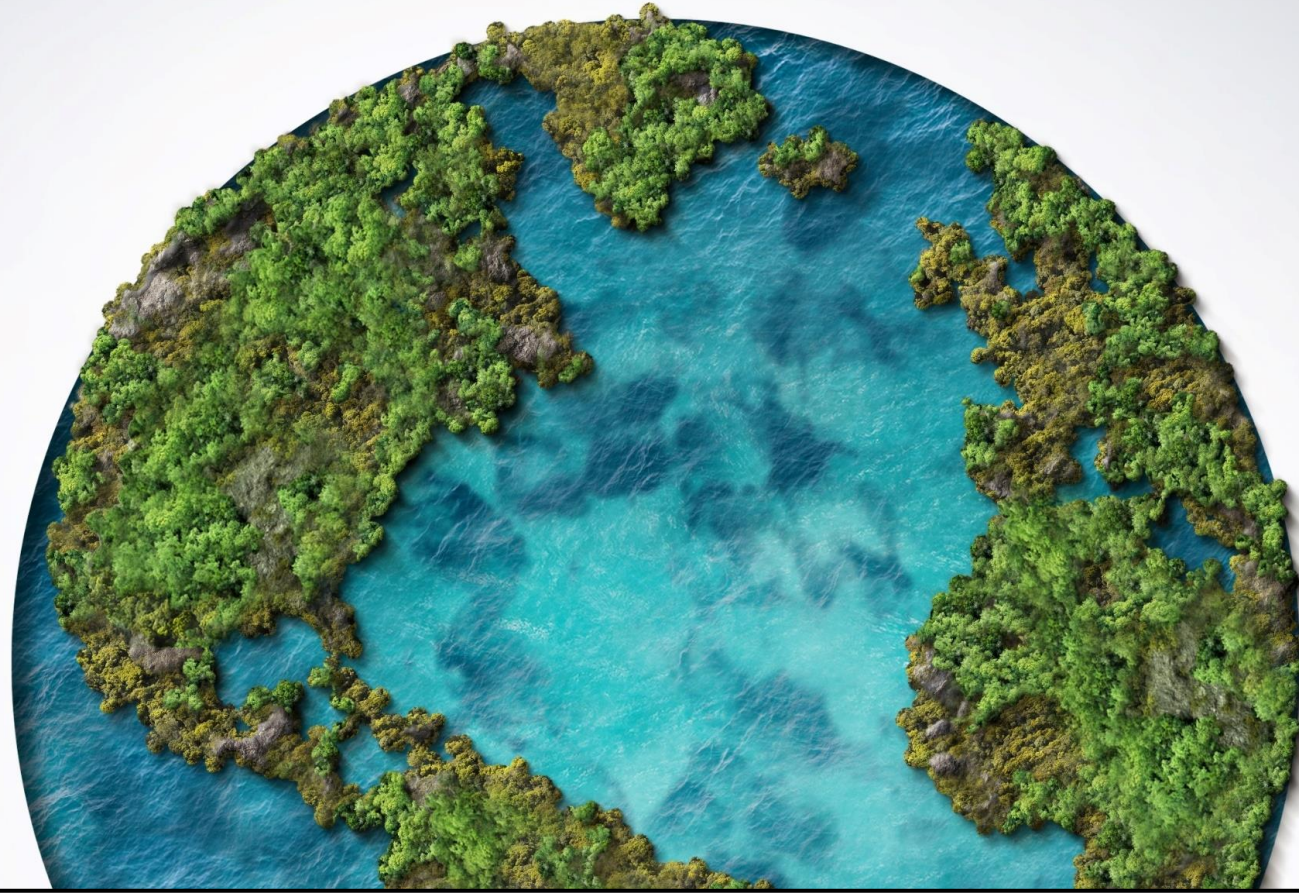

Thank you for making us unique and teaching us how to value our differences. Please help us respect other people's rights and feel like they belong. We are all different and we all belong.

Amen
