A large, white thought bubble with a green outline is centered on a light green background. The bubble has a small tail at the bottom left that leads to three smaller, stacked circles of decreasing size. The text inside the bubble is in a bold, black, sans-serif font.

**How can you make sure  
that everyone has access  
to safe and nutritious  
food?**

# EYFS

We designed healthy meals.

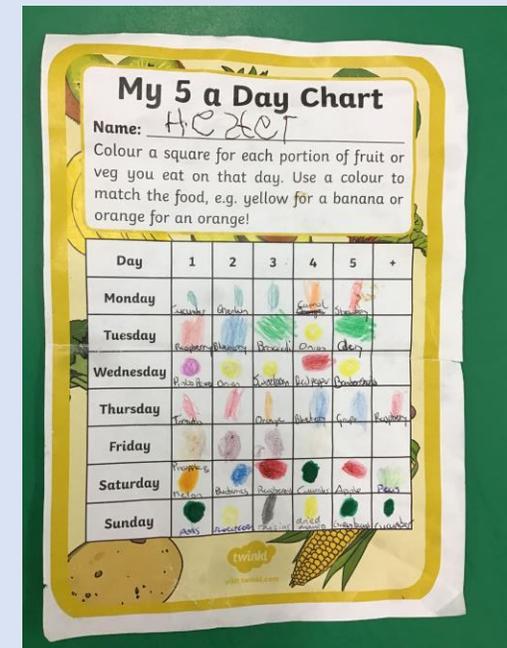

We learned about healthy and unhealthy foods.

We made shopping lists of fruits and vegetables that we could buy from the supermarket.

We did some food tasting to try some new fruits and vegetables.

Our Homework challenge was to try to eat 5 fruits and vegetables every day for a week!

# EYFS Prayer

Dear Lord,  
Thank you for the food  
Thank you for the shops

Thursday 14th November

WALT: answer the question

How can we help people to have enough food and water?

To help us answer the Big Question we share read;

1. Why do we have fridges?

To keep food inside.

To keep food cool and fresh so it lasts longer and does not go to waste.

Reflection

2. How do you think Maddie felt when her fridge was empty?

3. What did Maddie tell Sofia when she broke her promise?

You are more important than a promise.

I am sorry

4. How could you help someone fill their fridge?

2 She might be bored and hungry and distressed.

4 you can donate food.

We did a writing comprehension to think about how the characters were feeling in the book.
