"Nurturing Success"

16th October 2026

Thank you to everyone who was able to attend our parent and carer consultation evenings this week. We hope that you found these meetings useful and enjoyed looking at your child's work. We really appreciate your support and value the opportunity to be able to work with you to achieve the best outcomes for your child.

It has been another week of sporting success with the Year 6 Boys' Football Team having further success and making it through to the next round of the competition. Our St. Mary's Girls' Football Team also played exceptionally well in a tournament, winning two games and drawing two. Well done to all of the children involved and thank you to the staff who made these opportunities possible!

Next week is the final week of the half-term. Our Year 6 children are looking forward to their residential visit which is taking place from Wednesday to Friday. We have many exciting and inspiring school trips planned for this academic year to enhance the children's learning in different areas of the curriculum. We are also hopeful to offer even more theatre performances for the children in school with themes linked to physical and emotional wellbeing and the power of stories. We recognise how learning beyond the classroom provides children with memorable experiences and rich learning opportunities.

Thank you for your continued support and best wishes for the weekend,

Chris Frankish and Leah Carrick

We would like to wish the children in KS1 who had a birthday recently a very happy birthday!
Birthday pencils will be given to the children in their celebration worship.
