

St Mary's CE Primary School

"Nurturing Success"

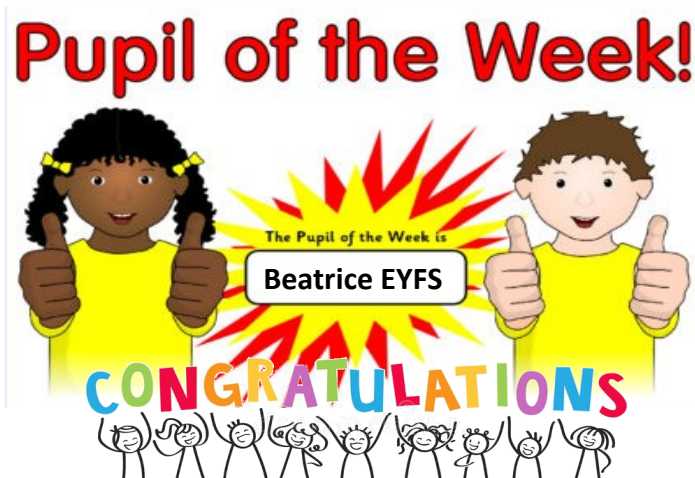

15th May 2026

We have felt incredibly proud of our Year 6 children this week. They have worked so hard to complete their SATS tests, sitting a total of six different tests over the course of the week in Grammar, Punctuation and Spelling; Reading and Maths. We have been very impressed with the children's positive attitudes and the resilience and perseverance they have shown. As a treat for their efforts, the children enjoyed some time at Molescroft Park this morning. Well done, Year 6!

Yesterday, we had our termly 'Big Question' afternoon which we organised to coincide with Christian Aid Week. Every child in school explored this term's question 'How can we help ensure that people feel a sense of belonging?' Children from all year groups had so many thoughtful and interesting ideas in response to this important question and it is always so wonderful to hear how our school values of respect, friendship, trust, perseverance, wisdom and hope are shaping the way children think about and treat other people.

Laura Wallis

We would like to wish the children in KS1 who had a birthday this week a very happy birthday! Birthday pencils will be given to the children in their next celebration worship.

Play dates

Please see the dates below for all of our year group productions:

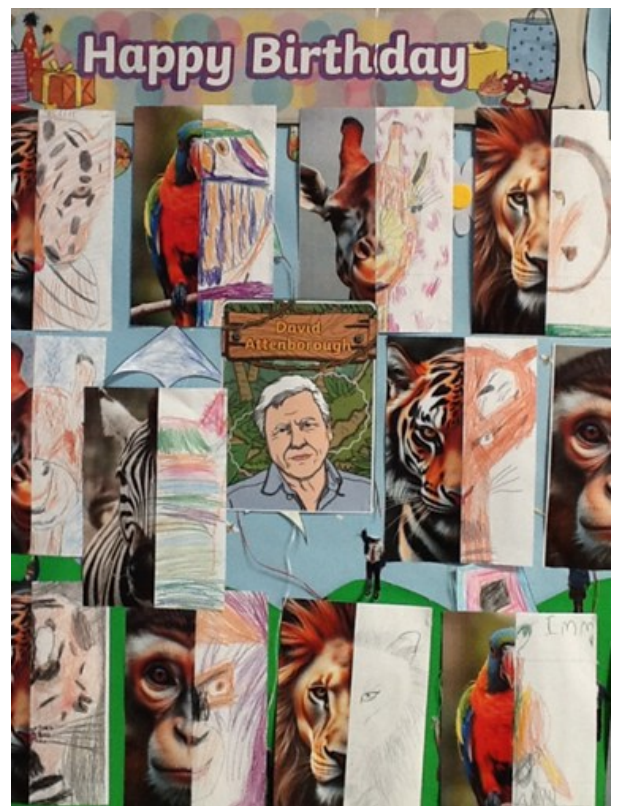

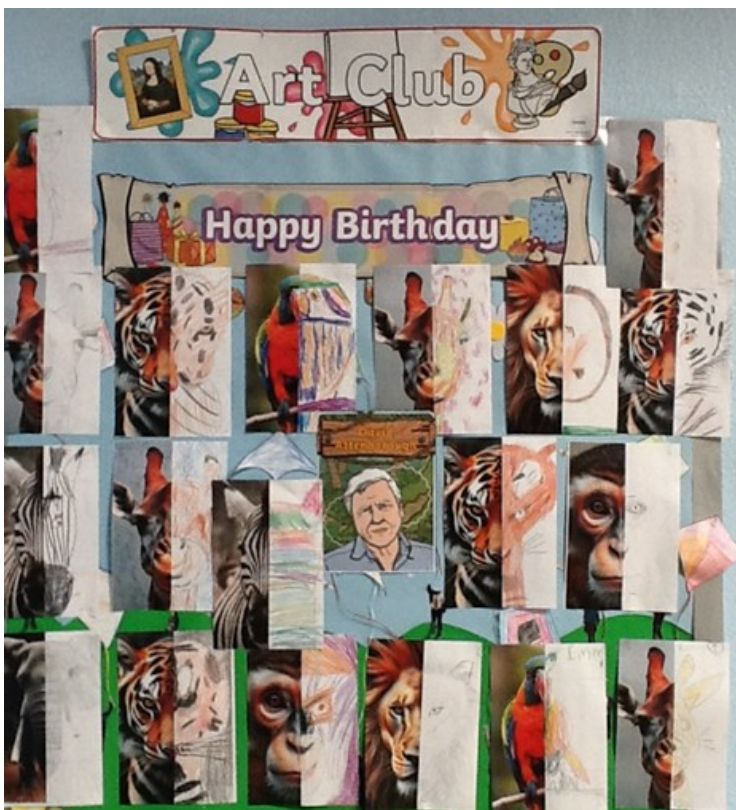

Y5 - Thursday 21st May at 6pm

Y6 - Thursday 9th July at 6pm

KS1 Art Club

Last week, members of KS1 Art Club celebrated Sir David Attenborough's 100th Birthday by creating striking animal portraits, inspired by the natural world. Using photographs as a starting point, the children carefully drew and coloured the missing half of each image, including tigers, monkeys, lions, parrots, zebras and elephants.

The project helped the children to develop their observation and drawing skills whilst experimenting with colour and texture. Our finished display is a wonderful tribute to Sir David's life-long passion for wildlife and conservation and showcases the creativity and talent of our young artists.
