

St Mary's CE Primary School

"Nurturing Success"

26th June 2026

Thank you for your support with the adaptations we have made as a result of the hot weather this week. The children have coped very well with the high temperatures we have experienced!

Early in the week, Year 1 and Year 6 enjoyed visiting Bridlington for the 'Little and Big Sings' at Bridlington Spa as well as having some time to relax on the beach! The children had a fantastic time and represented the school brilliantly.

We are looking forward to the sporting events we have planned for next week with our Sports Activity morning and EYFS/KS1 Sports Day on Monday and our KS2 Sports Day on Wednesday afternoon. We are unsure what the weather will be like but if it's warm please ensure your child is wearing sun cream and a sun hat for these occasions and that they have a water bottle with them in school.

Next week we have the first of our 'moving up mornings' on Tuesday 30th June. Children will have the chance to visit their new classrooms, work with their new teachers and find out more about life in their new year groups.

Today we are sending a letter to all parents/carers about arrangements for the last day of term. We hope this is useful but, as always, please do not hesitate to contact us if you have any questions.

Thank you for your continuing support.

SCHOOL FUNDRAISER

SUPPORT OUR SCHOOL, INVEST IN OUR FUTURE!

Penny Blakeston is competing in a Junior Triathlon on 28th June. This will be a 200m swim, a 6km bike ride and a 1.6km run. she is currently in training.

"Throughout my time at St Mary's I have loved taking part in all the sports activities, from the school's football competition to cross country and sports day. In my final year at school I want to raise money for some extra sports equipment at school. I would also like to raise some money for our Y6 Leavers' Disco."

School Meals

After consultation with the local authority, the cost of a school meal will increase to £2.80 from September 2026

The proposed increase reflects the continued pressures on catering services, including food inflation, currently projected at 3.1% up to the end of 2026, alongside sustained increases in utility and operational costs. We continue to work closely with our procurement team through regular contract review meetings to monitor and manage these pressures as effectively as possible.

Ferens Gallery Young Artist Open Exhibition 2026

The Young Artist Open Exhibition at the Ferens Gallery in Hull is open to anyone aged 15 or under.

In the past, children at St Mary's have had their work chosen for the exhibition and have enjoyed sharing this with their classes and being able to visit their own work in a real gallery!

The competition is free to enter, and selected works will be shown in an exhibition in the Ferens Art Gallery between Friday 16 October 2026 to Sunday 10 January 2027. Each year there is a huge variety of work on display, from paintings and drawings, to pastels, collage, and prints. Subject matters also vary, including portraits, local landscapes and still life.

All submissions are in the running to win prizes in the following three categories -

- six and under
- seven to 11
- 12 to 15

The final date for submission is Sunday 28 June 2026. Further details of how to enter and entry requirements can be found here:

For parents and carers in receipt of benefit related free school meals

We are just writing to let you know that we are running **The Summer Club** again this year. It is taking place at the **Youth Centre in George Street** during the first three weeks of the school summer holidays. It takes place **Monday - Friday from 10am-2pm** and there will be all sorts of games, activities and crafts.

Children can choose to play basketball, football, baking, board games, or they can make clay models, do painting, make jewellery. They can play snooker, air-hockey and make new friends. We will also provide them with lunch and snacks throughout the day.

Children who have benefit related free school meals are entitled to free places.

We offer primary and secondary places.

If your child (or other children you know) would like a place please follow this link: <https://eequ.org/book/the-summer-club-with-st-marys-church-beverley-30161>

Please don't hesitate to get in touch if you have any questions

WATER SAFETY CODE

The most powerful messages you can share are:

- Stop and think.
- Stay together with a friend or family member.
- If you're in trouble in the water, Float to Live.
- Call 999 or 112 if you see someone else in trouble in the water.

Also, encourage your students to **practice floating** and to choose safer, supervised locations like lifeguarded beaches, swimming pools or lidos.
