

# *St Mary's CE Primary School*

**"Nurturing Success"**  
**5th June 2026**

I hope the half-term break provided an opportunity for some rest and relaxation for all of our families. The children have had a great first week back in school and have been engaging in a wide range of different learning activities across the curriculum.

During the final weeks of this academic year, there are lots of different events taking place for children across the school. Please take the opportunity to look at the 'Diary Dates' section in our weekly newsletter to ensure you are aware of key dates. This term, our 'Moving Up' mornings are taking place on Tuesday 30th June and Thursday 9th July. During these mornings, the children will have the chance to meet their new class teachers and year group teaching assistants and spend time in their new classroom. We will provide information about class teacher arrangements for the new academic year before the first transition morning.

For our Year 6 parents and carers, there are also some important dates to make sure you have recorded in your diaries! Tuesday 30th June is secondary school transition day for children moving up to Beverley High, Beverley Grammar and Longcroft School. The Year 6 production is on Thursday 9th July at 6PM and the Leavers' Disco will be on Thursday 16th July from 6-8PM. There will also be a leavers' assembly in the school hall for parents/carers of Year 6 children and parents/carers of our newly elected House and Vice Captains at 11:00 on the last morning of term. All parents/carers and family members are invited to our family picnic on the last day of term from 12-1pm to mark the end of the school year.

Enjoy the weekend and thank you for your continuing support.

Laura Wallis

We would like to wish the children in KS1 who had a birthday this week a very happy birthday! Birthday pencils will be given to the children in their next celebration worship.

Year 4 enjoyed a visit from Amy from the Mental Health Support Team this week. She came in to talk about how we can manage our worries. We took part in some fun activities and we created our own worry toolkits.

**School Meals**

After consultation with the local authority, the cost of a school meal will increase to £2.80 from September 2026

The proposed increase reflects the continued pressures on catering services, including food inflation, currently projected at 3.1% up to the end of 2026, alongside sustained increases in utility and operational costs. We continue to work closely with our procurement team through regular contract review meetings to monitor and manage these pressures as effectively as possible.
