Request for Raffle prize (June 2026)

To whom it may concern,

I am writing to you on behalf of the 'Friends of St Mary's School' (charity number 1056920) who are currently planning our next Summer Fair, one of the school's main fundraising events. The money raised from these events contributes towards vital school equipment and helps families who may struggle to contribute towards educational activities.

In previous years, the Summer Fair has been a huge success and last year, we were able to use the money raised to pay for new laptops and to fund educational visits for pupils across the school.

This year the Summer Fair will be taking place on Friday 3rd July. We are hoping that as a local company you might be willing to supply us with a suitable prize for our raffle. In return, we will promote and thank your company throughout the fair and in communications with parents/~~carers~~.

Money raised from the fair this year is going to be used to purchase more equipment and technology for the children to use to support their learning in school.

We very much appreciate the support we are given by local businesses and hope that you feel able to contribute to our fundraising efforts. We also offer opportunities throughout the holidays to volunteer with specific projects (e.g. gardening and clean ups) please get in touch if you could help with this too.

If you think you may be able to help with our request, provide volunteers or you have any queries, please telephone the school office or email using the details above.

Kind regards,

Laura Wallis
Headteacher
(On behalf of the Friends of St Mary's)

FRIENDS OF ST MARY'S SCHOOL SUMMER FAIR

RAFFLE PRIZES NEEDED

We're looking for prizes for our summer raffle.

Please get in touch with the school office or FOSM if you can kindly help us. All support is gratefully received.
