

St Mary's CE Primary School

"Nurturing Success"

3rd October 2025

Thank you to all parents and family members who joined us in church this morning for our Harvest Service. It was lovely to be together as a school community and to see our new Worship Committee working so well together to help to lead the service.

I would also like to say a huge thank you for all of the tins and packets of food and other items provided for the East Yorkshire Foodbank, one of the charities we are continuing to support as a school throughout this academic year.

The Key Stage Two children did a brilliant job of 'buddying up' with the children in the younger year groups on our walk back from church and, as always, we were impressed with the care they showed to the youngest children.

Next week we are holding our Autumn Parent/Carer consultation meetings. Class teachers are looking forward to meeting with all parents and carers and we hope you will find the appointments useful. We also have the school photographer at St Mary's on Tuesday to take the children's individual photographs and on Friday, we are encouraging children and staff to mark 'Hello Yellow' day by wearing non-uniform with some yellow clothes and/or accessories. Thank you for your support with all of these events.

Best wishes for the weekend.

Laura Wallis

Consultation for the admissions arrangements for 2027/28

You may be aware that falling pupil numbers is a national issue which local authorities are needing to respond to. Our Local Authority has control over the admission arrangements for schools within the East Riding and currently, within the county, there is a high level of surplus places.

Over the last few years, a number of local schools have had their admission numbers reduced in order to manage the supply of school places. The Local Authority has informed us that there will be a consultation for the admissions arrangements for our school for the academic year 2027/28 with the view to reduce the PAN (Published Admission Number) from 60 places to 45. The consultation will take place between 8th October and 26th November 2025. Prior to the consultation going live, the Local Authority will provide us with information that we will publish on our website. This will include a link to a consultation survey that you can complete.

This proposed change will not affect any pupils currently in school. Should the proposal to reduce the PAN at St Mary's be approved, this will not come into force until September 2027, starting with the Reception cohort. All other year groups will remain at 60 as they move through the school.

Pupil of the Week!

We would like to wish the children in KS1 who had a birthday this week a very happy birthday! Birthday pencils will be given to the children in their next celebration worship.

School photographs

The photographer will be in school on **Tuesday 7th October** to take pupils' individual photos.

KS2 Cross Country competition

We had a brilliant time at Longcroft School on Tuesday evening when we took over 30 children to take part in the Cross Country. We were very proud of all of the children who took part – they all showed great determination in their races and supported and encouraged each other while watching. Thank you also to the staff and parents who came to support.

Particular congratulations go to Grace who came 1st in the Y3/4 Girls' race and Penny who came 3rd in the Y5/6 Girls' race. In total, 10 of our children qualified for the next round which will take place on Tuesday 21st October at Hornsea High School.

Parking

Please could we ask parents that when parking on the public roads around the school, that consideration for the surrounding neighbours is taken into account. Please ensure when parking, space is left for residents to access their driveways.

Stopping/Parking is also not permitted on the zig zags directly outside the school.

Thank you

Hello Yellow Day

This year, we are continuing to support 'Young Minds', the children's mental health charity.

On Friday 10th October, it is the Young Minds, 'Hello Yellow' day – a day which we are taking part in to 'stand out and show up for young people's mental health.'

Children can wear non-uniform to school on this day with some yellow clothes and/or accessories. We appreciate you working with us to demonstrate our support for children's mental health.

Lifestyle Success!

Penny, Bella, Charlotte, Frankie and Lola from 6CM took part in the Humberside Police Lifestyle Challenge over the summer. The girls worked together in a variety of ways to help in the community and Sandra Coneyworth, our PCSO, supported the girls on their visits to a local care home. The children raised £280 and we are very proud of them for their hard work. We are also so grateful that the children have chosen to donate this money to our school, which will be used to enhance the reading areas in Year 6. Well done, girls! What a fantastic achievement.

Flu Vaccinations

The immunisation team will be in school on **Thursday 7th November** to administer the nasal flu spray to pupils. Please follow this link for the consent form.
