Our 'Big Question' Afternoon

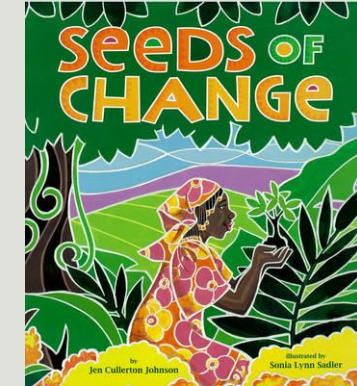

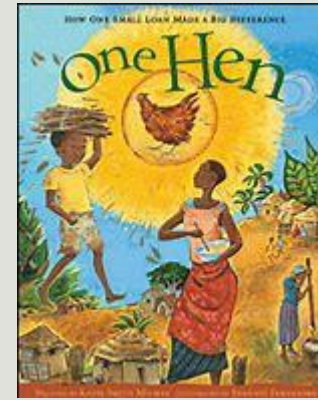

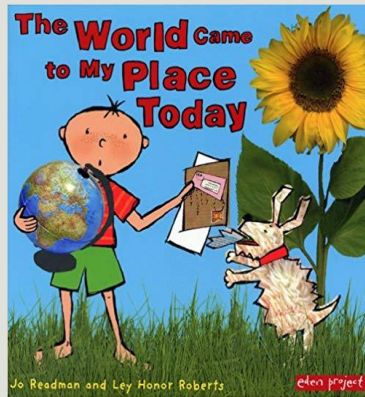

*Is it better to
try and fail
than not try at
all?*

Autumn 2020

These are the books that inspired us.

From small things, big things can grow:

The Parable of The Mustard Seed

Matthew 13:31-33

"The kingdom of heaven is like a mustard seed that someone took and sowed in his field; it is the smallest of all the seeds, but when it has grown it is the greatest of shrubs and becomes a tree, so that the birds of the air come and make nests in its branches."

Here are some of
our responses to
the 'Big Question'.

The Empathy Tree

Is it better to try and fail than not try at all?
Adapted 2012

From kind acts,
amazing things grow!

Pick up your litter

If you pick up litter from the beach and hand the money to...

Be a charity...

Be a refugee...

Be a charity...

If you have a letter from the bank it says you are like clean and neat the sea...

Donating money to charity helps people and animals to have a better life

We have been learning about saving the world.
We need to look after the world because if we don't
we won't have a good place to live.
Thank you God for our friends, family, houses, animals,
trees and flowers.
Help us to keep our world safe.
Lord hear our prayer, Amen.

Dear Lord,

Thank you for all our beautiful plants and trees.

Dear God,

Help us to have more food water and
schools for everyone.

We are inspired by real-life stories and hope that people in the future will continue to care about our world and protect the environment. We hope that conflicts can be resolved and that we can live in a happier, more peaceful and fairer world. Help us to have hope even when things seem impossible to change, remembering the parable of the mustard seed.

Dear Lord,
I have learnt that something really small can turn into something big.
I am grateful that we have money, food, a proper house and a school that you can go to for free.
I wish that homeless people will get a house and not live on the street and for people everywhere to live a happy life.

Dear Lord,
Help us try to make an impact on the world positively. Support us to persevere when things seem almost impossible to achieve. Help us to know that, by working together, we can make our world a better place. In Year 6, we listened to the story of Wangari Maathai (who moved mountains to help the environment by planting one seed at a time).

And we enjoyed watching 'We can Make This World a Better Place'
